WIN TOMORROW**

Clinic Description

The purpose of the Thorp Baseball Instructional Clinic is to provide participants with an opportunity to learn sound fundamentals of the game from some of the top coaches and players in the region. The ballplayers attending will leave with more knowledge and confidence as they prepare to begin their own seasons. To be a great player it takes hard work, dedication, and a passion for the game - we can help you get there!

5-Tool Player Camp

This clinic is designed for the ball player looking to improve in all areas of the game. Specific drills will focus on hitting, fielding, throwing, baserunning, as well as mental aspects of the game. Each player will be exposed to ideas taught at the collegiate level that will give them an edge in the upcoming season.

Pitching/Catching Camp

This clinic will focus on one of the most important areas of the game: The battery. Emphasis will be placed on throwing mechanics as well as the mental aspects of pitching. Catchers will focus on framing, blocking, throwing to bases, and details that can take their game to the next level.

What Participants Will Receive

1. Expert instruction
2. Video taped analysis of mechanical skills
3. Written feedback from instructors on strengths and ideas for improvement
4. Camp T-shirt

What to Bring

Players should bring a glove, bat, athletic shoes, shorts or sweats and athletic supporter/cup. Players can bring their own catchers gear for the Jan. 12 camp or they can use the equipment provided. All clinics will be held indoors. The athlete's name should be written on all equipment to ensure that nothing is lost.

Directions to Clinic

Clinics will be held at Thorp High School which is located off of WI-29 between Eau Claire and Wausau. After taking exit 108, go north on Washington St then turn right onto Krych St. Parking will be available in main lot.

Application Procedure

Send completed application form along with payment to Coach Peck (address under contact information). Application can also be completed over the phone. Pre-registration is recommended. Walk ins will be allowed, if space remains. No refunds will be given.

Additional Information

All money raised will support Thorp High Baseball. Check in for all camps will begin 30 minutes prior to the start. Campers will be split up according to age groups (grades 5-8 and 9-12) **Please call with questions!!**
